

THE COMMUNITY OF ADSIDEO

“We are learning the art of living deeper and further in this beautiful story called the God-Life.”

Sock.Hat.Glove.Give.

Adsideo invites you to participate in giving socks, hats, gloves, hot coffee and muffins in downtown Portland this winter season. As it gets cold, we have the opportunity to help warm up some of our friends that are out in that cold, wet weather. We will be collecting items throughout the winter season. You can bring donations to the gathering on Sunday or common houses on Wednesday or drop them off any day at the Wicks house.

Dodgeball@the

Sellwood Community Center
Join us each Friday night at 7pm as we challenge anyone willing to have a good time as we dip, dive, duck, & dodge our way around the gym and each other. A great time to get to know each other and our neighbors better by throwing dodgeballs at each other.

The Living Room

The Living Room by Adsideo has been made available in order to provide a "3rd place" for our neighbors living in the Sellwood/West Moreland area. Our desire is to cultivate healthy discussion, relational cohesiveness, social responsibility, and community awareness. We offer free wireless internet & cable television; french press coffee, tea, & pastries for sale; and availability to rent out the space for your private event needs.

Graffiti Removal & Neighborhood Clean-Up

We have the opportunity to monthly serve our neighborhood by sweeping the streets, picking up trash, & removing graffiti around Sellwood. Stop by the Living Room or check our website for upcoming dates to join us.

Common House

Common Houses are a way for us to connect with friends and family during the week. It is a casual, dinner-party-like setting that takes place at our neighborhood Living Room. Break up your week by coming and sharing in conversation, games, and a snack with your neighbors. The Living Room is kid and family friendly, however, those who are 5th grade through high school may want to join The House of Ramah for a their common house experience.

4th & 5th Fridays@the Portland Rescue Mission

Adsideo serves at the Portland Rescue Mission every 4th & 5th Friday of the month. Join us in serving a warm meal, having great conversations and leading the Chapel service. We always need lots of volunteers!
